**Supporting Evidence:** Mr. Leingang is alleged to be in violation of his conditions of probation by consuming controlled substance, fentanyl, on or about November 11, 2024.

On November 12, 2024, probation contacted Mr. Leingang at his residence. During the contact Mr. Leingang admitted to consuming fentanyl on November 11, 2024. Mr. Leingang was still under the influence of fentanyl and he was transported to a detox facility, so he could safely detox off the controlled substance.

3 **Mandatory Condition #2:** You must not unlawfully possess a controlled substance, including marijuana, which remains illegal under federal law.

**Supporting Evidence:** Mr. Leingang is alleged to be in violation of his conditions of probation by possessing a controlled substance on November 12, 2024.

On November 12, 2024, probation contacted Mr. Leingang at his residence. Mr. Leingang was under the influence of controlled substances when he was contacted by probation. He was unable to focus and had a difficult time standing. Mr. Leingang was asked if he had any additional drugs in his residence. He stated he had some foils he used to consume fentanyl, but did not have any additional drugs. This officer observed in plain view, on the kitchen counter, a small plastic bag of a white powdery substance, and two Naloxone containers. The substance has not been tested at the time this report was drafted. This officer also observed a glass pipe, commonly used to consume controlled substances and some burnt foils.

The U.S. Probation Office respectfully recommends the Court issue a warrant requiring the offender to appear to answer to the allegations contained in this petition.

I declare under penalty of perjury that the foregoing is true and correct.
